Sana Vida Spa Policies and Important Information.

Thank you for collecting the information needed for us to provide your group with an amazing spa experience! To support you in organizing a memorable and stress free day, we've included the following information for you to share with the guests who will accompany you.

Helpful Information:

Check in time is 15 minutes prior to start of appointments. If unexpected complications lead to **late arrival**, your services will still need to end at their scheduled time. Please allow adequate time to arrive at Sana Vida so that your day can be experienced to its fullest.

Unlike many spas, **we have chosen to not have communal locker rooms**. You will change in your treatment room. Private shower rooms are available **upon request** and robes are provided for transitions between services. Canvas spa bags allow you to keep your belongings with you at all times.

We are unable to accommodate **decorations or confetti** as the community room does need to be cleaned and transitioned quickly for other events.

Our **tea bar and reception area** are available for you to relax and transition at any time throughout your day.

We appreciate communication between guests and our employees. If you need anything (lower music volume, a robe to change into, more tea) please do not hesitate to ask!

Spa Party Policies and Payment Information:

A **\$150 deposit, credit card on file, and return of completed spa event planning form** is required to schedule a group event. The deposit will be refunded on the day of your event, applied toward service payment, or used to honor our cancellation policy.

We require at least a **7 full days notice** for changes or cancellations to Spa Party appointments to avoid a 50% charge. Appointments missed without notice will be charged the full cost of services. The cancellation fee will be deducted from the deposit given and credit card on file if amount exceeds deposit. Individuals can utilize alternate forms of payment for their services on the day of the Spa Party. All cancellations or changes should occur by calling us directly. We discourage the use of email for cancellations.

A **20% gratuity** (rounded to the dollar) is included in your cost and will be dispersed to the appropriate practitioners.

Sana Vida can arranged for saved tickets during your event allowing participants to add retail and services to their ticket throughout their stay.

*** We are unable to reserve appointments without submission of specific service requests via the forms provided in this packet. All guests attending events must be scheduled for services.**

Submittal of this form acknowledges agreement to the above noted policies.
